I passed all my clothing to the officer that was assisting with the search And then proceeded to squat and cough as I did plenty of time in the past in which at that time captain Shaw told me to pull the foreskin back on my genital area And to afterward turn around and spread my buttocks In which I told him that "I refused to follow these orders because it was not procedure" In which he told me that I would not give me my clothes back until I followed his orders. At that time I told him to give me my clothes back And to just put me in isolation as is procedure when an inmate refuses A search. He declined my request And walked out the search room laughing with the assisting officer leaving me naked in the cold search room some time later he peeked his head in the search room door And threatened to extract me naked out the search area so everybody can see me if I did not comply with his (intrusive search) orders. After about 15 minutes of me standing naked in the search room he finally gave me my clothes back.
2. Once I put my clothes back captain Shaw sprayed me with M.X.9 (Bear repellent/pepperspray) at that time I was locked and secured behind a gate in the holding pen in the search area And didn't post any threat.
3. Afterwards captain Shaw walked away and left me in the cage for approximately another 15 minutes before coming back to get me to start the decontamination process.
